

Regional Resiliency Action Plan

RRAP Stakeholder Engagement Sub-Committee Web-Meeting

June 8, 2018 | 10 am

Roll was taken. During this web-meeting the subcommittee went over the attendance and some brief outcomes from the Regional Resiliency Action Plan Listening sessions that took place in Brevard and Volusia in May. There was also a call for anyone who wants to volunteer for the upcoming August Elected Officials and Invited Public workshops to contact Tara. The most important objectives for these upcoming workshops in August will be education, buy-in, and additional input. There will also be an icebreaker that incorporates the experience after Hurricane Irma and thinking about how it relates to long-term resiliency. There will be a presentation on Resiliency 101 that will be figured out more in the upcoming weeks.

Everything in red on the presentation is revision from the meeting discussion. The next meeting will be on July 26th, 2018.
